This preset bundle is mainly Ready for your own Christmas and Winter photos. These presets we've designed have various results on the photographs and we could set the impacts on three classes. Our suggestion for you is to check all of the priests of the collection to attain the intended outcome. Because each of these is made for light and colour properties To find out what colours our merchandise changes, have a look at the before and after photographs that direct you where one of these colours will be altered after execution. Last, you'll be viewed as a professional with a couple of clicks. Only trust us.

- Compatible with: Adobe Lightroom
- Document Type: DNG, LRTEMPLATE, JPG
