

Kintsugi Gradient Backgrounds

2025-02-10 16:59:27 label 我要反馈 下载页面

Kintsugi Gradient Backgrounds: Kintsugi is a technique that was developed by the Japanese. the kintsugi process is a reinterpretation of the Japanese concept of wabi-sabi which recognizes beauty in the unfinished and the value of simplicity. Broken pieces of pottery were joined using gold, making the item that was even more beautiful.

Kintsugi is a Japanese word meaning "to join with gold" It is a reminder to be optimistic even in times of uncertainty and to be grateful for the imperfections and mistakes of life.

In this collection, you'll have the 25 High-Resolution Backgrounds, nicely smooth and textured (with grain or without) with beautiful color combinations, and easily editable (in Adobe Photoshop).

The set also contains JPG images that are in the right sizes to be used in Instagram posts or Instagram Stories that you can directly upload to your phone or any other social media application like Canva and make backgrounds for your advertising.

They can be used as backgrounds for branding, printing material like small packaging, posters, phone cases, but they can also be used digitally in social media posts or stories backgrounds for websites or any other Personal or Professional project.
