TrakTrain Neo Warrior Trap Sample Pack Vol. 2:

Traktrain presents its "Neo Warrior" Trap Sample Pack Volume 2 includes 315 sample tracks of different instruments. It includes drums, bass vocal loops, and bass along with some amazing effects sounds and one-shots. This kit is great for creating Future Trap and Japanese Trap. It can also be a hit in other genres including EDM as well as Pop.

The first "Neo Warrior" sample pack was reissued with a new collection of ablaze musical content. In particular, the mean drum loops from the first are back with more style and bite. Synthetic drum sounds comprise dense grooves. Additionally, one-shots of all drum sounds used are also included. In addition, the author was careful to ensure that the music remained true to the warrior's spirit, the melody and bass loops expand on themes that were explored in the first volume. The ethnic motifs and the instruments provide the mysterious and frightening ambience of the melody and chords. The composer used a variety of traditional instruments, in addition to synths and pads to create the loops, including koto, pipa, and the shamisen. There are also many vocals, including breath and screams as well as effects like sweeps and impact One-shots that can spice up your compositions.
