**Black Winged Bird – Black & White Photoshop Action:** Black and White Classic. Fantastic film-inspired conversion of monochrome that has excellent grain.

Black Winged Bird is an author's black and white toning.ATN Action is available for Adobe Photoshop with classic and deep blacks and authentic film-styled grain. Creative and artistic, this action will improve your candid or portrait photography.

This effect is very versatile. However, it is best used with well-exposed portraits, fine-art street photography, and natural or studio light from windows.

### 3 . ATN ACTIONS INCLUDED:

- Black Winged Bird
- Black Winged Bird - Shift Blacks
- Black Winged Bird - Cinematic

### BEST FOR:

- Portraits and fine art
- Street and candid street photography
