**Fxrbes Havoc (808 / Sub Pack):** It's time to cause Havoc with Blvckout's new and exciting sound pack!

We have over 160 new sound samples to add to your collection. Explore the various types of 808s (clean and distorted semi-distorted, clean or "weird"), sub bass, and synth basses to make your next project an instant hit with today's standards.

With the drum kit with it, this pack is guaranteed to inspire you to create tracks that sound the style of your favorite artists like Future, XXXTENTACION, Gunna, Lil Baby, and many more.
