**Pandemic Glitch Transitions** is a bad template for Results that brings together a stunning mixture of effects to show and improve your media. It comprises 11 cool looking effects. Contains glitch effects stylized as a biohazard, radiation, covid virus, departure skull, and abstract electronic sound. It is possible to use them on your movies about pandemics, medical movies, ailments, catastrophes, and much more. No plugins needed. A video tutorial is also included! Audio FX not included
