Movies Promo (Videohive 54032681) - AE Project:

The "Movies Promo" is an adaptable After Effects project designed for creating professional cinematic promotions.

It is compatible with After Effects 2019 and later versions and supports various resolutions, including 4K, Full HD, mobile, and square formats.

The template's modular structure lets you choose the number of photos you want to include, with ready-made intro and ending sections.

It also provides customizable options for color and line width, a Universalizer for multi-language support, and a Photoshop tutorial for background separation.

Images are not provided in the package.
