Korde Font Family

2025-02-10 16:49:33 label 我要反馈 下载页面

Korde font has an old-fashioned style that is unique and has a cool design. It's suitable for heading textbooks, fonts, and designs that feature an elegant and retro design in addition to that, Korde font is suitable to create body text. Korde font comes in 26 families that range from thin to Condensed and Heavy.

Sans Serif typefaces such as "Korde typeface" are very adaptable to any style, especially those that have a retro or traditional design, and it is very simple to work within design programs as well as non-design ones because all glyphs change and they are accepted by Unicode (PUA).

The Korde typeface comes with 549 glyphs that come with numerous intriguing and unique alternatives. In addition, there's an awesome sans serif font family that can be used for headers and descriptions ranging from heavy to thin in addition to thin condensed, heavy and thick condensed. In the poster preview, all the letters are part of Korde typeface. Korde typeface.
