Set of 20 Photoshop brushes with high-resolution. Great for high-resolution illustrations.

Installation guide included

Archive includes:

- Brushes .abr file;
- Instructions for installing Photoshop in pdf format.

To make use of these brushes, you'll need a "Photoshop" app o your PC or "Affinity Designer", or "Affinity Photo" on your Ipad.

Stipple brushes are great for toning amazing retro graphics or for enhancing the texturing of illustrations in numerous other ways (for instance, creating tattoo concepts!)
