The App Promo – Forest Environment is digital content presumably related to After Effects CC 2024 or later versions.

How to design our project to promote the program?

You can design your project using "App Promo – Forest Environment".

It emphasizes that no additional plugins are necessary for its usage and mentions that the project itself is not part of the content provided. However, it assures the presence of a help file to guide users through its implementation.

Package information

Published on May 14, 2024, this After Effects project, compatible with the CC version, offers high-resolution content at 3840x2160 resolution. It includes After Effects Project Files with 4 media placeholders and 1 text placeholder.
