Santa – Christmas Magic 9 - AE Project VH-49228034: This Christmas, Santa is on a mission to check who's been nice and prepare unique Christmas products or services for your valued customers.

- Compatibility with old After Effects versions (CS4 and newer).
- Full HD Resolution – 1920×1080 / 24fps
- Portrait (Phone) version included – 1080×1920 / 24fps
- No plug-ins are required.
- Easily customize the visible sides of the box with your design, provided in a PDF vector format. Change what is printed on the box effortlessly.
- Create personalized "Clipboard" animations with hand/arm animations and poses included. Craft unique scenes like writing, checking off, or stamping with manual keyframing and mask animation (video tutorial included).
- Various pre-made scenes are available for quick use, such as cam2_Anim/static (Santa examining static content on the clipboard) or cam2_Anim/stamp (adjustable stamp position on static clipboard content).
- Modular structure for the part where the camera faces Santa in the stall. Choose when and how often Santa flips a page, stamps it, or performs magic by ordering the included compositions in a sequence.
- Easily customize Santa's colors (hat, coat, beard, etc.) and the colors of magic elements, decorations, countertops, pens, clipboard, etc.
- All sound effects are included; music is not included.
