- **5 presets are available for Lightroom that can be used on mobile and desktops.** These preset work with ALL Versions of Lightroom on iPhone, Android, Mac, and PC Windows. Give your photos in motion an appealing visual boost using our Lightroom presets. You can then present them to more users via Instagram, Facebook, or Pinterest! You'll get **mobile DNG documents, desktop xmp files, and desktop templates for Lightroom.**
- **Instant Download.** You'll have immediate access to your files and **lifetime** purchase protection! Once you've completed your purchase , you will receive an acknowledgment email with the download link and the installation guide to help you with the process of installing.
- Compatible with the FREE Lightroom Mobile App! There is no need to sign-up to Lightroom or download in order to download to install the Lightroom desktop. All you need is the FREE Lightroom mobile app! No previous experience is required.
- Step-by-Step Video Tutorial. The easy-to-follow video tutorial will walk you step-by-step through each procedure how to download the presets, and then uploading them into Lightroom which is the free Lightroom mobile app and then putting the images!
- **Speed up.** Install the desired Lightroom preset on your phone and make any changes to your photo in only minutes within your Lightroom application.
