# Techno Scanner - High-res Textures - 13440973

2025-02-10 16:37:32　　label 我要反馈　　下载页面

**Techno Scanner - High-res Textures - 13440973:**

**Techno Scanner - High-res Textures** offers a collection of 42 high-resolution textures, each designed to evoke dark, pulsating techno vibes.

Scanned from real laser prints at 6000x4000px and 300dpi, these textures feature intricate details and striking visual effects.

Ideal for graphic designers, 3D artists, and motion graphics specialists, this collection provides a dynamic addition to any creative project, helping to create visually captivating and impactful designs.
