Car Evolution (Videohive 22959223) - AE Project: Introducing "Car Evolution," an After Effects project showcasing the captivating technical progression of the automobile industry. Witness the visually stunning transformation from the aesthetically dazzling Bugatti race car to the timeless American muscle car classic and the cutting-edge high-tech electric Tesla. Customize the project by effortlessly incorporating your final logo, adjusting the electrical discharge color, and changing the background texture.

- Compatible with CS6 and above
- High-resolution 4K visuals (3840X2160) at 24fps
- No need for additional plug-ins
- Includes built-in sound effects for an immersive experience!
