Space Voyager (Videohive 490719) - AE Project

2025-02-10 16:49:48　　label 我要反馈　　下载页面

- Atmospheric space layout
- Trapcode Particular v2 is demanded. The Project was made using Trapcode Particular v2, Shine, and VC Optical Flares plug-ins. However, the download contains a version with pre-rendered Trapcode Shine and VC Optical Flares, which means that you don`t want these 2 plug-ins
- 9 text holders
- 3 video/image locations
- Logo placeholder
- Simple to edit just import your logo, pictures, Or movie and alter names
- 90 minutes length
- The video tutorial shows You How You Can personalize This template
