Abstraction HUD Pack 1 - AE Project VH-40291955: The Hi-Tech elements were created entirely within After Effects (Except three-dimensional models). You can therefore take any of the elements and change the fonts, texts, or effects, and then use it to create your own unique HUD. Alternatively, you can modify specific parts however you'd like. Think of a different approach to make use of all these components.

- Simple customization.
- Color Controls.
- Duration Control.
- Fully customizable.
- 25 different HUD.
- After Effects CC 2020 and above.
- Videos of Previous don't come in.
- The help PDF file is included.
- No plugins are required.
