Urban Watercolor Quick Sketching: Paint in Loose Style and Simplify Details: If you find yourself overwhelmed by the intricacies of urban scenes, this class is tailor-made for you! As an experienced urban sketcher, simplifying complex subjects is a passion of mine. Join my class to gain valuable tips and tricks that will prove handy, whether creating a cityscape or capturing holiday memories in watercolor.

What You'll Learn:

- How to select compositions for exciting and meaningful paintings.
- Techniques for breaking down your painting into layers, ensuring a structured approach.
- Simplification strategies for managing complex views with abundant details.
- Effective use of light, shadow, and textures gives your sketches a polished look, even with time constraints.

What You'll Create:

A sketch inspired by your holiday photos, your town, or based on my provided reference picture.

Is This Class for You?

Absolutely! I ensure all my classes are beginner-friendly while incorporating techniques used in professional painting. You can join the course and elevate your urban sketching skills regardless of your expertise level.
