TYPO for After Effects - AE Project VH-51058338: Introducing the "TYPO" template, a sophisticated fusion of modern typography and abstract art tailored for presentation designs and dynamic screensavers. Featuring text transition flipping animations and customizable backgrounds, it's the perfect choice for countdowns, promotions, or social media screens. Each scene can be personalized with simple colour controls and media placeholders, adding a rhythmic and stylish touch to your content. Utilize this template to craft dynamic typographic sequences that command attention in commercials, event advertisements, or online publications.

- Full HD resolution for crisp visuals
- Various typography slides to choose from
- Compatible with any fonts of your choice
- Help file included for easy setup
- Font links are provided for convenience
- Compatible with After Effects 2021 and newer versions
