#### Lovely Bugs Stamp Set for Procreate

Additional graphic files are provided also, even if you don't have Procreate.

**Create adorable and beautiful illustrations of beetles and bugs in a matter of minutes!** 70 stamps of different bugs are included, as along with two brushes for drawing antennae. Simply install the brush set in Procreate (or utilize other files in the event that you don't own Procreate) and tap to create a stamp on the canvas. You can make your insects as real as you want or simply use the head and body stamps and then add your own wings, legs, or legs to create cutely. They're the perfect starting point for any artistic style! Have your own art piece? Mix and match the pieces then color them in the way you'd like, and have fun!

#### In this collection:

- **1 x Procreate brush set**, containing 72 elements (70 stamps + 2 brushes)
- **72 parts that are in PNG** Format with a transparent background. It can be used with the majority of photo editing software
- **72 components that are in JPG** file format, with white backgrounds. It can be used with the majority of editing programs for photos.

**Note:** The brush set is only available in Procreate for the iPad. It isn't compatible with photoshop or other programs. However, if you don't own Procreate, you can make use of the png or JPG files to create cute illustrations in other software as well.

Supported by: Procreate, Adobe Photoshop, Affinity Photo, Adobe Photoshop Elements Other
