- 1.
- 2.

The **Crystal Luxury Slideshow** is a versatile video template offering Full HD resolution, no plugin dependency, and a duration of 01:32 minutes.

It features 21 placeholders for both photos and videos, along with 21 text placeholders, facilitating compatibility with various content types.

#### How to use templates to create video content with text in After Effects?

You can use "The Crystal Luxury Slideshow to design your project.

The template boasts simple color controls for customization, and swift image replacement, and includes a tutorial for easy editing. Its modular structure enhances organization, while credits are given to DEMIANT\_Sounds for the accompanying music (Music: DEMIANT Sounds), though the music and preview videos are not included in the package.

#### "Crystal Luxury Slideshow" Samples:

#### Package information

As of September 8, 2023, this project was last updated and published, compatible with After Effects versions CC and CS6, and includes After Effects Project Files at a resolution of 1920x1080
