TheLutBay – The Ultimate Bundle: They work well with all kinds of images and videos, and I'm convinced that it's the sole pack of presets you'll ever require. The packs include both desktop and mobile presets meaning you can install them on your smartphone, tablet as well as your computer.

- 469 Mobile and Desktop Presets (XMP DNG)
- 469 old Lightroom Settings (Lrtemplate)
- 469 LUT Video (CUBE)
- Step-by-Step PDF Installation Guide
