- Include ATN, PAT, ABR and read me file
- Simple to use, just one click
- The result is artistic and realistic watercolor painting effect, and completely editable
- Don't waste time, and conserve your money
- The Works, CS5, and CS6, CC/used smart object/
- Choose a photo size between 1500-4000px (recommended 3500px)
- Utilize a photo resolution that is between 72 and 300dpi (recommended 300pdi)

This effect is great to create posters and greeting cards, postcards, and much more from nearly any kind of image or shape.
