After Effects VIDEOHIVE

**Search Opener (Videohive 50924431) - AE Project:** This template features 13 text placeholders, 1 logo placeholder, and 14 image placeholders. It is compatible with After Effects CS6 and higher versions. The resolution is Full HD (1920×1080) with a duration of 30 seconds. No external plug-ins are required, as everything is built within After Effects. Please note that audio and preview images are not included in the package. You can easily control the colors of the elements. Rendering is fast, ensuring efficient workflow.
