JAKOB OWENS - JOP LUT BUNDLE #4

2025-02-10 17:01:57   label 我要反馈   下载页面

Brand-new Package of 12 distinct ALL ORIGINAL highly stylized JOP coloured LUT's.

Utilize these LUT's to radically color grade your own footage.

Utilize the Different colour ranges JOP himself created, and utilizes on his very own videos to get An ideal cinematic appearance for your footage!

NOTE: LUT's Work best with FLAT picture picture profiles. However they can also work together with other Profiles (just may need to tweak amounts a bit more).
