Asgaria is a serif typeface family with an elegant appearance. Every letter is designed with beautiful and natural curves. These fonts are specifically designed for projects with a luxurious theme including bold magazine illustrations, wedding invites and branding posters, designs logos, business cards, and much more. If you're working on an undertaking that requires stunning professional writing this font is ideal to get the job completed.

The Asgaria font has an open type with ligature, and other types that are packaged in two styles: Regular, and Italic. Asgaria fonts come with uppercase numbers, lowercase, and uppercase punctuation marks, and support multilingual languages.
