Tropic Colour MOVIE LOOKS VOL. 2:

This product offers a collection of LUTs (Look-Up Tables) inspired by iconic films, developed in collaboration with senior colorists to ensure high-quality, battle-tested results.

It provides an easy way to replicate the distinct looks of popular movies on your footage. Compatible with all cameras that shoot in LOG, RAW, or FLAT formats, the LUTs are meticulously rebuilt to deliver authentic cinematic aesthetics. Each movie look comes with three different LUT options for versatile customization.
