Delectable Records - Techno Songstarters 1 - Producer Loops: "Techno Songstarters" by Delectable Records is a sample pack built on the basis of twenty Construction Kits that are inspired by labels such as CLR or Drumcode.

Within each Construction Kit folder, you'll discover three melodic and rhythmic tracks that are ready for mixing to your taste. These kits can give you immediate results when creating Modern Techno anthems.

Each one is clean and has some compression, so you can easily drop them into your layout with minimal tweaking. Additionally, you will find an assortment of 64 FX Shots to provide you with more options for creative ideas.
