

Glowing Scribble – Neon Fx Pack (Videohive 24262149)

2025-02-10 16:39:32 label 我要反馈 下载页面

**Glowing Scribble – Neon FX Pack** is an extensive effects package featuring 300 animated neon glowing scribble elements and Neon FX scripts designed to enhance videos with vibrant neon styles.

How to use animated neon styles and smoke and text animations to design your videos in After Effects?

You can use "Glowing Scribble – Neon Fx Pack" to design your project.

The pack includes a wide array of animated elements such as backgrounds, borders, bubbles, lightning, smoke, text animations, and more. Each element is highly customizable, allowing adjustments in color, line width, neon flicker, and glitch effects. Suitable for various video applications like lyrics, sports, or custom neon-themed videos, the elements can be used individually or combined for stunning results.

"Glowing Scribble – Neon FX Pack" Samples:

The Neon FX script facilitates the highlighting of video segments with neon effects and comes with a comprehensive video tutorial. The package supports After Effects CC 2018 and above, offers full HD resolution, and includes universalized expressions. Key features include 300 versatile elements, customizable attributes, pre-made neon styles, and detailed tutorials.

Package information

This After Effects project, compatible with CC and featuring universal expressions, was published on 30 August 2019 and last updated on 15 January 2020. The package includes both After Effects project files and script files.
