My Working Software Version: CC 2018 English Version. Only one restriction: You must install it in English. Other languages are currently not supported.

Some Recommendations

You should only use high-resolution images as input to Photoshop Action in order to get the best results. It is recommended that you use resolutions of 3000px X 3500px pixels 300 DPI.

The Layers Organization

Photoshop Action's best feature is its ability to keep layers organized. This allows you to quickly work on your image and customize it further. Each Photoshop Action has its unique layers of organization.

File Included

- 1. Action (ATN).
- 2. Help file (Notepad).
