Podcast Promo for Premiere Pro (Videohive 53653330):

The "Podcast Promo for Premiere Pro" template offers a modern, Tetris pixel style for creators.

It features modular end screens with customizable color controls, media placeholders, and editable text layers.

Ideal for blogs, broadcasts, or channels, this template adds a designer touch with handmade textured backgrounds and text animation.

It's versatile for framing photos, prompting the next video, or encouraging subscriptions, and it provides a polished, professional look.

The template supports 4K resolution and is compatible with Premiere Pro 2021 and above.
