Unity Asset - POLYGON Construction – Low Poly 3D Art by Synty v1.4: Introducing the Low Poly Construction Asset Pack, a comprehensive collection of buildings, characters, props, tools, and environment assets designed to create a construction-themed polygonal style game. With over 550 detailed prefabs included, this pack offers everything you need to bring your construction game to life.

- **Characters (x9):** Various builder and inspector characters, each with unique outfits and accessories.
- **Character Attachments (x35):** Attachable accessories such as beards, helmets, goggles, masks, and more to customize character appearances.
- **Vehicles (x14):** A diverse selection of construction vehicles, including bulldozers, cranes, excavators, loaders, pickups, rollers, telehandlers, trailers, and trucks.
- **Environment (x36):** Various environmental elements, such as dirt roads, ground pieces, driveway curbs, dirt piles, rocks, and more, create immersive construction scenes.
- **Props (x300):** A wide range of props, including barrels, barriers, pallets, boxes, building supplies, tools, cones, crates, signage, scaffolding, and storage shelves.
- **Items (x15):** Miscellaneous items such as drinks, batteries, pencils, clipboards, radios, spray cans, tape, and walkie-talkies.
- **Tools (x39):** A comprehensive selection of construction tools, including angle grinders, drills, hammers, saws, paint brushes, rollers, pliers, screwdrivers, tape measures, nail guns, and wrenches.

With its extensive collection of assets, the Low Poly Construction Asset Pack provides endless possibilities for creating immersive construction-themed games. Whether building a bustling construction site or crafting detailed cityscapes, this pack has everything you need to bring your vision to life.

- Modular Highrise and House systems for versatile construction layouts.
- Detailed power tools with removable batteries for added realism and customization.
- A fleet of construction vehicles to populate your game world.
- Seamlessly integrate with other POLYGON asset packs, such as POLYGON City or POLYGON Town, to expand your demo scenes.
