Cyberpunk Stories (Videohive 39466196) - AE Project:

After Effects template for social media such as Instagram stories, Tik Tok advertisements, YouTube shorts, Snapchat, and any vertical promotional. Dark and vibrant design in the style of futuristic and cyberpunk images. The glitzy and emotional look works well with modern local brands and is also suitable for technology advertisements, schools, and much more. Ten attractive designs help modernize and enhance Social media-related content. Each Story comes with a range of customizable settings. It is easy to alter color settings using Color Controls or adjust the text to match the content, its position, and size, and add any other fonts should you require. Finally, add music and images to complete your brand new social media marketing.
