Holographic Chrome Text & Logos Effe - 92465001: Visuals can tell a story better than words, so ensure you've pulled out all the stops to deliver an awe-provoking showcase. This text effect will pave the way for a desirable result, mainly because of the Smart Object Layers included. These allow you to add text inside the indicated layer (by double-clicking its thumbnail), delete the default placeholder, and then type and save any text! Whether it's branding logotypes or presentation elements, this asset can handle anything your project is about.
