**Davis Hilton – Series 01 Portrait:** Introducing Series One: ACR + LR Presets, featuring six meticulously curated presets tailored to enhance warm and inviting skin tones, neutral greens, and earthy golden lighting ideal for weddings and portraiture captured in natural lighting. These presets offer a quick and effortless way to achieve consistent quality and style. Within this series, you'll find 01 Glow and 01 Glow B&W, 02 Haze and 02 Haze B&W, and 03 Sand and 03 Sand B&W. Additionally, toolkit modifiers including Airy, Dark, Dreamy, Earthy, and Filmly effects enable easy customization with just a single click.

The quintessential preset, 01 Glow, is perfect for uniform, shaded lighting, enriching skin tones and infusing earthy colours into the skin to highlight love and emotion in images. Its black and white counterpart adds crispness and sharpness, enhancing skin to a beautiful mid-tone. 02 Haze, conversely, complements strong hazy backlighting or creates a striking contrast, producing deep shadows, muted highlights, and seamless mid-tones when applied effectively. Its black-and-white version restores blown-out shadows tames highlights, and enhances contrast, setting an inviting mood, accentuating subjects' eyes, and achieving dewy skin. Finally, 03 Sand imparts subtle filmy tones, directing focus to subjects and encapsulating feelings of nostalgia and longing, with its black and white version offering compelling organic tones.
