Monoline Brush Set for Procreate: GoodKid Studio's Monoline Brush Set is a collection of finely tuned hi-res brushes for Procreate. Monoline brushes provide an excellent entry point into line art, eliminating the need to navigate intricate line weights or complex shading. Initially crafted for personal and commercial illustrations, these brushes are now shared to empower others to create stunning artwork. The charm of monoline artwork lies in its stamp-like quality, offering a delightful retro digital touch. Designed for use with the Apple Pencil, these brushes enhance drawing, making it more accessible and enjoyable. The rough-edge monoline brushes create distinctive stamp-like textures and sharp edges. The assortment of brushes with soft or hard edges and broad or narrow strokes caters to various artistic styles. Unleash your creativity and elevate your artwork with these specially designed-brushes!

- 20 Monoline brushes tailored for Procreate 5+
- 3 Texture brushes for added depth
- Includes example illustrations
- Instruction manual for effortless usage
