**140 Flash FX Elements V3:** A new amazing tool was released lately, known as the reviewer. We've added the aid of the extension you could import and preview our components in one single click.

- Maintenance CS 5 is additional
- Expressions are universalized
- A movie lesson is additional
- 12 layouts are made
- Smart names are made

**VERSION 2.1**

- The insect of binding the color is adjusted in template two
- The insect of universalization is adjusted. The ramifications of"power" function properly in variations of later effects on non-English languages
- The bug that caused the reset from the set of templates in variations of AE that aren't in English is mended.

**Content package**

- 20 Smoke Explosions
- 20 Electric Discharges
- 20 Primary Shapes
- 20 Flames Shapes
- 20 Energy Elements
- 20 Sharp Lines
- 20 Transitions
- 12 Templates
- two exemptions
- 140 mov files with alpha
- GIF -- Preview
