What is Gold Titles 4K?

"Gold Titles 4K AE Project" is a digital asset or template for Adobe After Effects (AE). It's probable that it's a pre-made project file containing titles or text animations designed to have a gold aesthetic and be compatible with 4K resolution.

Such projects are often used by video editors or motion graphics designers to save time and effort in creating intricate text animations or title sequences from scratch. They provide a framework that users can customize with their own text, colors, and effects to fit their specific project needs.
