Minimal 3d Laptop Web Promo (Videohive 43126753): Every scene is depicted using a realistic style using the mockup capability. The best way to advertise your site or laptops is with this template! The original project was to make the promotion of site as well as a landing page or presentation for laptops.

Minimal 3D laptop Web Promo is a template that shows and advertises websites, applications, and services and their user interface using computers (MacBook). These templates can be used for videos, screenshots, and animations.

Additionally, you can make this project a MacBook mockup template. Each scene is pre-rendered. If you want to create video advertisements for a store on computers, Use this template!

Web promo is the continuation of the popular series and is completely designed using After Effects. Ideal for promoting your latest app or site! Drop a screenshot of your website onto those placeholders on the screen, then change the content and display.

- If you own Adobe Premiere Pro CC 2021 and above, you do not need to have the installed Adobe After Effects software.
- 1080p (1920x1080) resolution
- ONLY ENGLISH SOFTWARE!
- It does not require plugins are required
- pdf Help file is included
- Change all settings with the Control Layer (Color Control)
- It is necessary to install fonts before running your project!
- Use free fonts (Font Links included)
- used music, images, and Videos are only for preview and are not included in the project file.
- 0:41 min default duration
- Eight unique pre-rendered scenes
- 15 placeholders to display media (photos and screenshots of your landing page or video if you'd like)
- Title holders with four titles (you can compose whatever text you want)
