Sparkler Typeface li - AE Project VH-35054252: Sparkler Typeface is an animated font perfect for Christmas-themed titles as well as Lower Thirds and even intros! Each letter is high-quality 1500x1500 pixels, which makes large-scale projects quite feasible. Each letter's duration is 10 seconds. It is easy to make the titles for your lower-thirds, title, and trailers according to your own preferences.

Quick Setup

The download includes an exclusive script designed specifically to work with this particular typeface. The script allows you to quickly generate your own words or phrases with just one click. After you've written the text, you can choose other options to format the text according to your preference. Increase or decrease space between the letters; randomize the letter scale and location as well as offset animations!
