Dynamic 3D promo (Videohive 36582586) - AE Project

2025-02-10 17:14:44   label 我要反馈   下载页面

Dynamic 3D promo (Videohive 36582586) - AE Project: Dynamic 3D promotional is a template universal that allows you to easily design your brand identity, corporate promotional video, and presentation for hosting the video.

All footage was made in Cinema 4D and rendered in high-quality FullHD using the laptop's 3D model.

Dynamic 3D promo includes:

- Logo placeholder
- 11 placeholders for video or image;
- 11 text placeholders for text
- Music placeholder

- No plugins required;
- All screens are suitable to display your UIWEB videos, photos, or images;
- Full control of colors;
- Compatible with all fonts.
- AE CC 14 and up;
- Fast render.
