Prod. By L.Dre Drum Kit Vol. 4 (WAV, MiDi): The inception of the L.Dre Drum Kit series originated from my quest to create drum kits tailored to my music production preferences, which I would consistently use. Astonishingly, the demand for these kits skyrocketed, with thousands of creators wanting to incorporate them into their work. After a year of intense utilization of Vol. 3, I felt the time was ripe for an expansion.

Vol. 4 is a deliberate amplification of the elements I cherished in its predecessor and my personal production style. Recognizing the significance of a compelling hi-hat loop to kickstart a beat, I've enriched this collection with an abundance of Hi-Hats, Percussion, and even some kick-free loops. Additionally, I've infused the kit with an array of foley sounds, a personal favourite for adding nuanced texture to beats.

L.Dre Drum Kit Vol. 4 stands as the ultimate drum kit, tailor-made for producers and musicians seeking to infuse their productions with retro lo-fi drum grooves.

The contents include:

- 15 Kicks
- 20 Snares
- 20 Hi-Hats

- 6 Bass Samples
- 15 Full Drum Loops with Stems
- 20 Hi-Hat Loops
- 15 Hi-Hat MIDI Loops
- 15 Percussion Loops
- 10 Kick-Free Loops

For those opting for the Deluxe package with Expansion, the offering expands to include:
