Roli Equator2 OSCar Soundpack:

Capture the essence of a cult classic with OSCar, an Equator2 and ROLI Studio soundpack offering over 70 meticulously sampled instruments sourced from the iconic synthesizer. This collection brings forth all the rugged analog charm and digital lo-fi tones of the original 1980s model, now reimagined for the 21st Century with the expressive capabilities of Equator2.

The package encompasses 70 MPE and 70 Standard presets, featuring a comprehensive selection of 726MB of instruments that have been carefully licensed from sound designers at Boxed Ear.
