Night Podcast – Twitch Overlay:

The **Night Podcast** Twitch video overlay package includes three vibrant and eye-catching overlays designed for podcasters, featuring a bright aesthetic with neon tubes, neon texts, and microphones. The overlays are tailored for both solo and guest podcasts, each sized at 2400 × 1350 pixels and created at 72 DPI. These fully editable Photoshop templates allow users to customize neon text in the header, as well as include designated areas for chat and top donators. The package provides three PSD files along with a PDF guide that includes font links and instructions, making it ready to use for Twitch streaming.
