#### 3D Lines Logotype Intro - AE Project VH-53450107:

The "3D Lines Logotype Intro" template is designed to create logo introductions with a corporate architectural style and dynamic stroke animations.

It's ideal for corporate presentations, company intros, game openers, channel bumpers, and video openers.

You can replace the logo with any title to create a versatile techno opener for your video projects.

With its minimalistic style, intelligent design, and straightforward animation, this template ensures your logo animation stands out.

**Key features** include compatibility with Adobe After Effects CC 2018 through CC 2025 or higher, Full HD resolution at 30 fps, support for universal expressions in all After Effects languages, a 10-second final duration, one logotype placeholder, one editable text field, and it requires no additional plugins.
