**New 80s Mogrt Pack (Videohive 32236091):** New 80s is an enjoyable retro Mogrt Pack with a great deal of color and motion. It includes animated Design components, transition, 3 show scenes with alpha and text, and an intro scene. You can edit the text font, scale, and position, length, and Colors of these scenes. The customization is super simple and quick. We expect you find it helpful
