NFT Promo - Modern NFT Holder VH-43366362: The After Effects template will help you create a promotional video to promote Your NFTs (Non-Fungible Tokens). The template has five camera angles to showcase your work in total and from any angle and change your camera's angle with just one click.

The placeholders can be used for both videos and photos. Place your media on the placeholders, edit the text, adjust color with the color control, add some powerful music, and render it! No plugins are required.
