#### Intro Elements (Videohive 53215184) - AE Project:

The "Intro Elements" After Effects template features a stylized design with dynamically animated, grungy elements. It includes three different length versions and offers customizable text placeholders, media placeholders, and colors.

**Key features** include a modular project structure, compatibility with CS 2021 and above, Full HD resolution (1920×1080) at 29.97 fps, no plugins required, an easy controller, a well-organized project, fast rendering, and a universalizer controller for compatibility with any language.

Available in HD.
