HUD & UI (Videohive 33363886) - AE Project

2025-02-10 16:39:32   label 我要反馈   下载页面

HUD & UI (Videohive 33363886) - AE Project: After Effects templates are well-designed and organized. They include all the main screens and assets. Professional HUD design. The vector-based elements were created using After Effects shape layers. They are easy to edit and resize.

- 16 dots
- 6 Text animations
- 4 Targets
- 14 HUD elements
- 4 Loadings
- 7 Technology titles
- 4 Windows
- After Effects CC 2019 or higher versions
- 100% after effects
- Vector shapes that can be edited and resized
- Transparency, Drag, and drop on top of your footage
- Smart Controllers
- Plugins are not required
- It's easy to customize
- Universal and optimized expressions
- Fast rendering
