The **Typo Opener** offers 12 text placeholders and one logo placeholder, compatible with After Effects 2021, Premiere Pro 2021, and later versions.

### How to design your project using text cursors in After Effects?

You can design your project using "Typo Opener".

It features a Full HD resolution (1920×1080) with a duration of 21 seconds. No additional plug-ins are required. Audio and preview images are not included, but it provide easy color control and fast rendering capabilities.

### Package information

This Motion Graphics Template, last updated and published on 30 May 2024, includes files compatible with Premiere Pro CC and After Effects CC.
