Minta Foundry SFX Three Quasar + FREE Plugin v0.0.9:

Embark on an immersive auditory voyage with SFX Three_ Quasar, a collection featuring 107 otherworldly sound effects. Inspired by the sci-fi aesthetics of 60s and 70s movies and video games, this pack propels you to the outer reaches of the cosmos and beyond.

Indulge in the mesmerizing sounds of interstellar travel, the haunting echoes of a fading supernova, and the futuristic allure of transhuman teleportation.

Curated by the talented Al Hug, SFX Three_ Quasar stands as a masterpiece of advanced sound design. Employing cutting-edge techniques such as granular synthesis and extreme time warping, each sound is meticulously crafted with creativity and detail. Before being digitized for pristine quality, every effect undergoes processing through classic analog gear, including tape and vinyl, adding a layer of warmth and authenticity that distinguishes this pack.

Pack & Plugin Bundle Offer:

- When you acquire the Quasar Sample Pack, you'll also receive the Quasar Plugin, unlocking an extended realm of creative possibilities. This unique combination provides not only a diverse library of 107 cosmic sound effects but also a versatile plugin for real-time audio manipulation. Elevate your music production effortlessly with this dynamic duo, blending a rich sonic palette with innovative tools.
